2023-2024 SACC Registration Guide: What Do I Do If … ?

... MY FAMILY HAS AN INCOMING KINDERGARTENER?
You must register for the 2023-2024 school year during the SACC registration window to be considered for both enrollment and/or on the waiting list. You will have the option to register your incoming kindergartener even if you have not yet received your student’s school placement.

If your family is new to SACC, you will be included in a blind lottery to determine your enrollment status. The lottery will determine who is accepted into any open spot, who is on the wait-list and who will need to wait until the following year to register again.

If you are notified that your enrollment has been confirmed or you are on the wait list, the $35 registration fee will be due after you receive your confirmation of placement from the SACC office.

Currently enrolled families are guaranteed enrollment for the upcoming school year if registration is completed between April 3 and April 14 and the registration fee is paid at that time. Requests for a change in enrollment status, including the addition of a sibling/siblings, will be processed as received.

… MY FAMILY IS NOTIFIED THAT WE’RE ON THE WAITING LIST?

The School Age Child Care program maintains a waiting list of families who register for SACC during the designated registration window but cannot be enrolled because all open slots are filled. Completed registration forms and payment of the registration fee are required to be included on a waiting list.

The length of the waiting list and its movement varies from site to site and year to year. SACC cannot guarantee or predict when an open spot will become available. Any open spots that become available during the school year are offered to families on the waiting list.

Families that are on the waiting list for the current school year will be guaranteed a spot on the roster the following school year. Please note if you are placed on the waiting list you will pay only the registration fee to hold your spot.

… MY FAMILY IS NEW TO SACC AND DID NOT GET ON A ROSTER OR WAITING LIST?

Families who completed the registration process but did not receive confirmation of enrollment or a place on the waiting list are encouraged to register again the following year.
