Meal Information for In-Person Learning Days

Where can I find the menus? Menus for Hybrid in-person learning days can be found on the [UA Nutritional Services](#) web page or by downloading the app "Web Menu by Isite Software."

How will students receive their pre-ordered meals from Nutritional Services? All student meals will be delivered to the classroom. Elementary students will be in their homeroom, and middle and high school students will eat in either their 2nd or 6th period class, depending on the day of the week.

How do I pre-order my student's meal? Meals can be pre-ordered by visiting the [UA pre-order link](#) or by clicking the "Online Meal Icon" on the [UA Nutritional Services](#) webpage. Each meal includes a choice of entree, fruit and/or vegetables and milk.

When pre-ordering your meal, elementary families will select their students' home classroom for delivery, and middle and high school families will select their students' room for either 2nd or 6th period. Students and families can find additional details about the pre-ordering process on the [UA Nutritional Services](#) webpage.

What is the cost for meals? There is currently no charge for elementary students through December 30th due to a USDA National Waiver.
