

2023-2024 School Year

Dear parent/guardian,

Your student uses a software program called Renaissance (Star) at school to take periodic assessments of their learning. We would like to share how you can sign up to receive email notifications of Star assessment results.

By signing up for email notifications **before** your student's next Star assessment, you will receive the results of future Star assessments for your student by email. Please note that a parent/guardian must sign up for email notifications **before** an assessment is taken in order to receive an email with the results from that assessment. For our kindergarten students, our first Star assessment window begins on August 16. The window for middle and high school opens on August 21 and grades one through five opens on August 28.

If you received Star email notifications during the 2022-2023 school year, you will continue to receive notifications. There is no need to sign up again.

To sign up for email notifications, please access Star using this [link](#) and use the log-in information below.

Username: student's username / first part of email address (ex: Smith.42)

Password: student number (6 digits)

Web address:

<https://global-zone08.renaissance-go.com/studentprogress/homeconnect?t=101900>

Please select the blue "Get Email Updates" icon in the upper left. To complete the process, please reply to the confirmation email you will receive from Renaissance (Star) within 24 hours after signing up. A pdf of Home Connect directions can be located [here](#).

If you have any questions or you have difficulty logging in to Renaissance Home Connect, please email studentinformation@uaschools.org.

Sincerely,

Tammy Yockey, Ed.D.
Director of Data & Accountability
