## Face Coverings Medical Exemption Request

Upper Arlington Schools is following state and federal requirements and recommendations regarding students wearing face coverings/masks. Below are the grade-specific expectations:

**Burbank Early Childhood School:** Students wear face coverings inside the school building and when riding in school-provided transportation. Students will be provided with multiple face covering breaks.

**Students K-12:** All students must wear a face covering while attending school or a school function in any school building, facility or other area of a school campus, and when riding in school-provided transportation, as directed by the Superintendent/designee. The Superintendent will publish expectations for wearing face coverings that are consistent with local, state, and federal guidance and requirements. This policy applies to students waiting outside school buildings before and after school, and to students waiting at bus stops.

Students may be exempted due to documented medical, developmental, behavioral or individualized needs.
