The values for these naming opportunities are based solely on utility, placement, or perceived appeal and do not necessarily reflect the gift's designated purpose or the actual cost. Donors are encouraged to consider undesignated gifts and/or the least restrictive designation. Plans for the bond levy project are not final until the work is completed. If alterations are required that affect a commemorative gift, an appropriate substitute will be arranged in consultation with the donor(s). These naming opportunities are for the projected life of the facilities.
