

## K-3 and New Student Device Distribution Events 2020-2021

All current 2020-2021 Kindergarten students, new students to district and students in grades 1-3 who did not take home a school issued iPad last March need to pick up a device for the new school year.

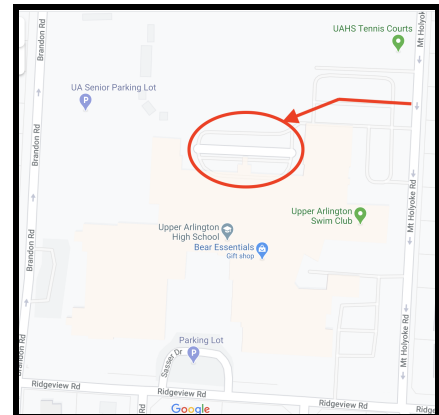

We will have a Low / no contact event at the high school

- Drive thru — you won't leave your car
- Students do not need to be present for the event
- Pick up your new device and information sheet
- Kindergarten devices will already be set up and logged in with student information.
- Grades 1-3 students, and new students to the district will follow a handout to complete the setup process at home.
