May 27, 2022

Dear Brentwood Families,

The Brentwood Borough School District is delighted to offer minicamps for students entering kindergarten through twelfth grade again this summer. Please review the options and determine your family's interest.

- Registration opens today, Friday, May 27, 2022, and will close on Friday, June 4, 2022. The link will be located on the front page of the district website beginning today.
- Capacity limits will be in place for the summer minicamps. For a camp to run it must have a minimum of five (5) students registered. The maximum number of students in one camp will be fifteen (15). If more than fifteen (15) students register, then the instructor may choose to run a second session of the camp during a different week. You will be contacted directly if this occurs.
- Cleaning of the facilities will occur after the daily programs.
- The Kinder Camp program will be funded through Title I money. The remainder of the programs will be funded using grant ESSER money.

We truly hope that our families take full advantage of these programs. It is the intention of the Brentwood Borough School District to continue in-person learning five (5) days a week for the 2022-2023 school year following the traditional daily schedule for all grade levels.

If you have questions about any of the programs, please contact the instructor listed. All district employees' email addresses follow the same pattern (firstname.lastname@bb-sd.com) and are located on the district website.

Sincerely,

Amy M. Burch, D.Ed.
Superintendent of the Brentwood Borough School District

HUGHES ESCAPE ROOM BRENTWOOD

Do you like puzzles and/or riddles? Are you a good problem solver? Or just like a good mystery? Each day of the three-day camp, a classroom will be transformed into an escape room. Each with a different theme, students will be locked in the classroom, by discovering the clues, completing the riddles and puzzles, they will determine the answers that will lead them to the "key" to unlock the door.

ADVENTURES AT SEA - MERMAID & PIRATE CAMP

Searching for treasure under the sea?! Mermaid or pirate, which will you be? During this camp, students will immerse themselves in a world of pirates and mermaids through interactive games, themed crafts, and engaging activities. After students receive their pirate or mermaid makeover, they will find delight in sensory stimulating activities such as making their own sand slime and ocean themed sensory bags. Students will "walk the plank" into fun games such as the Mermaid tail race, cannon ball toss, and pop the sea bubble. Students can let their creative side take over as they work on their ocean themed crafts. Finally, students will work together as a team to solve the mystery of the missing treasure chest, in hopes to find gold and precious gems.

SUMMER BOOK CLUB

Join us to share in the love of reading and to talk about the books you love! On day one, we'll create our own sparkly bookmarks for the students to use and keep, and students will create a wish list of books based on teacher and peer recommendations. On day two, we'll head over to the public library for some games and a tour of what the library can offer. Campers will use their wish lists to check out books. The final day, students will enjoy some book-themed snacks, be gifted with one book from the camp, and will create a graffiti wall based on their own favorite book.
