

Fifth Grade Supply List

ELA – 1 inch binder, notebook, tab dividers, folder

Science – notebook

Social Studies – folder and notebook

Math – notebook and dry erase marker

We would appreciate it if students could have their new supplies by Monday, September 13. We have plenty of pencils, glue sticks, and crayons, but students are welcome to bring their own.

Please email your child's homeroom teacher if you have any trouble with purchasing the requested supplies or if you have any questions.
