Enter Scoring Mode + Add Assignment Legend Settings More v
= Assignment Name

- If no assignments exist to add a No Count, Click on Add Assignment. Click Save & Add Scores after completing the details.

- If there is an existing assignment, click on the assignment Name.

- For the students the assignment should not be applied to, click on the "No Count" column.

Why:

This video demonstrates how to score an assignment for all students at once, provided they are receiving the same score, such as a homework check or participation mark.

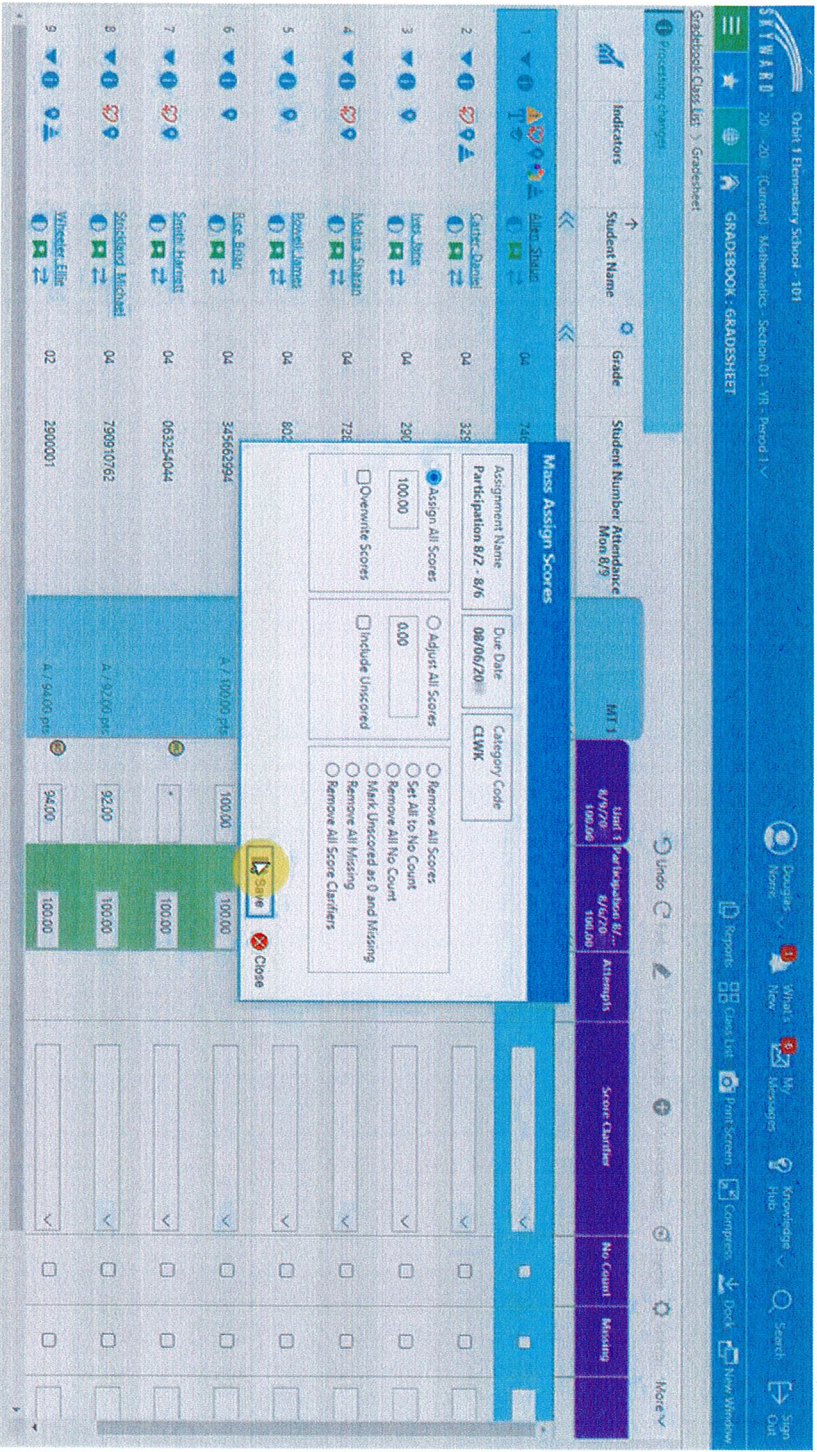

The screenshot shows a classroom management software interface. At the top, it displays 'Object 1 Elementary School 101' and 'Current: Mathematics - Section 01 - 1st - Period 1'. The main area is titled 'GRADEBOOK - GRADESHEET' and shows a list of students with columns for 'Indicators', 'Student Name', 'Grade', 'Student Number', 'Attendance Mon 8/9', and 'MT 1'. A pop-up menu titled 'Assignment Options' is open, showing 'Participation 8/2 - 8/6' with a 'Mass Score' button highlighted. The student list includes names like Carter, Daniel; Lee, John; Malone, Shawn; Brown, James; Rice, Ryan; Smith, Hannah; Stoddard, Mitchell; and Wheeler, Elise.

Indicators	Student Name	Grade	Student Number	Attendance Mon 8/9	MT 1	
	Alex Shau	04	746746980		A / 97.00 pts 97.00	
	Carter, Daniel	04	329960837		B / 88.00 pts 88.00	
	Lee, John	04	290000002		A / 100.00 pts 103.00	
	Malone, Shawn	04	728899434		F / 0.00 pts 0.00	
	Brown, James	04	80227286		A / 93.00 pts 93.00	
	Rice, Ryan	04	345662994		A / 100.00 pts 100.00	
	Smith, Hannah	04	063254044		*	*
	Stoddard, Mitchell	04	790910762		A / 92.00 pts 92.00	
	Wheeler, Elise	02	2800001		A / 94.00 pts 94.00	

- On an existing assignment, click on the assignment name and Under assignment options click on Mass Score.

Why:

This video demonstrates how to score an assignment for all students at once, provided they are receiving the same score, such as a homework check or participation mark.

- Under Mass Assign Scores, an option to add select all to No Count. Click Save.
- Click the checkbox of any student that should not be scored as a No Count.

Why:

This video demonstrates how to score an assignment for all students at once, provided they are receiving the same score, such as a homework check or participation mark

The screenshot shows a Blackboard Gradebook for 'Orbit 1 Elementary School - 101'. The page title is 'GRADEBOOK : GRADESHEET'. The interface includes a top navigation bar with 'Home', 'Messages', 'Knowledge', 'Search', and 'Sign Out' buttons. The main content area displays a table of student data. The columns are: Indicators, Student Name, Grade, Student Number, Attendance Mon 8/9, and a column for 'Enter Score Mode'. The 'Enter Score Mode' column contains a dropdown menu with options: 'MT 1', 'Unit 1 Participation 8/...', and 'Participation 8/...'. A yellow circle highlights the 'No Count' option in this dropdown. The table lists 9 students with their respective scores and attendance.

Indicators	Student Name	Grade	Student Number	Attendance Mon 8/9	Enter Score Mode
	Allen, Shaun	04	746749660		MT 1 Unit 1 Participation 8/... Participation 8/...
	Carter, Daniel	04	329960837		A / 94.00 pts 88.00 100.00
	Lee, Alice	04	290000002		A / 100.00 pts 103.00 100.00
	Medina, Shanna	04	728893434		F / 50.00 pts 0.00 100.00
	Powell, James	04	802227288		A / 96.50 pts 93.00 100.00
	Rice, Brian	04	345663994		A / 100.00 pts 100.00 100.00
	Smith, Harriet	04	063254044		A / 100.00 pts 100.00 100.00
	Strickland, Michael	04	790910762		A / 96.00 pts 92.00 100.00
	Winkler, Ellie	02	29000001		A / 97.00 pts 94.00 100.00

- A yellow circle will appear next to the students that are included in the No Count selection.
