Dear Brentwood Families,

The Brentwood Borough School District was notified today of one confirmed positive COVID-19 case at Elroy Elementary. The school building will remain open since this is the first reported case in a new 14-day rolling period. The contact tracing and case investigation are complete.

We remain committed to providing educational, athletic, artistic, and social/emotional opportunities for our students. We are grateful for the support of our families. We will keep families informed of any changes to the schedule or modifications to our Health and Safety plan.
