Dear **Moore Fourth-Grade** Families,

This letter is to notify you that due to the number of **fourth-grade** students that are being required to quarantine, the **fourth-grade** class schedules will be changing for the week of October 25-October 29, 2021. Students that are required to quarantine will have synchronous instruction from home. Please see the list of Frequently asked questions below.

1) Is my child permitted to report to school on Monday, October 25, 2021.

If you received a call from the pandemic team for your child to quarantine, then they will participate in online synchronous instruction from home. If you did not receive a phone call from a pandemic team member, then your child may report to school on Monday as expected.

2) Can my other children participate in online instruction?

No, only quarantined **fourth-grade** students are participating in online instruction for this week.

3) What time does my child need to login to Canvas?

Students under quarantine are to log into Canvas by 8:30am each day. The teacher will take attendance at 8:30am. If the students do not log in, they will be marked as unexcused absent for the day. They will also be required to make-up the missed work. The teachers will review the schedules with the students that are participating online.

4) What if my child did not bring home the necessary materials?

Please call the office and our staff will gather your child's materials. The materials may be picked up on Monday.

5) How will my child know what to do in Canvas?

The **fourth-grade** teachers will distribute a calendar with each day's scheduled classes.

6) Will my child still have special classes?

Yes, students will follow their special schedule. Students under quarantine will follow Ms. Downey's special class schedule for the week of October 25, 2021-October 29, 2021.

Downey's Schedule: Monday: Music Tuesday: Media Wednesday: Art
Thursday: Gym Friday: Gym

7) Will my child receive special education services for Math, ELA, OT, and PT?
