

Summer Reading Requirement for 7th and 8th Grade Students

Each 7th and 8th-grade student at the Academy of Tucson Middle School is asked to read the book *Escape from Mr. Lemoncello's Library* over the summer. Once you have finished this amazing game, solved the clues, and hopefully escaped the library, you will be required to complete a typed or handwritten piece. Handwritten pieces should be written neatly on lined paper. Your response should include, but is not limited to the following:

- Describe the main character, be specific, and use adjectives to help clarify understanding.
- What are three of the puzzles that they had to solve in order to gain a clue?
- Which puzzle was your favorite and why?
- Were they able to escape? How did they escape? Why did they not escape?
- Tell me more...

Please type this as a Google document. You will need it for when we return to school. This will be shared with your ELA teacher once the school year has started. Handwritten copies will be turned in at this time as well. These will be due no later than Wednesday, August 5th.
