

School Counselor Packet

Dear Loflin Families,

Your child attends Classroom Guidance with me, the Counselor, as a part of their Specials Rotation. In Classroom Guidance, we explore social, emotional, academic, and career readiness skills. To provide my class at home, I sent home activities from this site <https://www.thepathway2success.com/10-sel-activities-for-home/>. Here, you can find a link to the same free Social-Emotional Learning (SEL) choice boards that I sent home in the paper packet, as well as access to other activities you might like. Your student should choose a few activities each week from the choice boards. Just let them choose the activities they like best.

Please also see the instructions on the next page for accessing my Google Classroom. I hope all the students will join. In my Google Classroom, I have additional activities, such as books that I am reading aloud to the students, activities, Go Noodle videos, and a form students can use to send me messages.

Parents, if you need to reach out to me during this time of School Closure, you can reach me in the following ways. I will respond as soon as possible and help however I can.

1. Call Loflin 336-625-1685 and leave me a voicemail at extension 209321. My voicemails will be forwarded to my email so that I can hear them from home.
2. Email me directly at dcabiness@asheboro.k12.nc.us
3. You can also call or text my Google Voice number 910-420-0450 during business hours M-F if you or your student need to speak with me.

I hope you and your family are doing well. Please do not hesitate to reach out if there is anything I can do for you.

Wishing you wellness,

Mrs. Donna Cabiness
Loflin Elementary School Counselor
