

How can I help my child study? Where can I find resources in Math & Reading? What strategies can I use to improve my child's test scores?

The answers to these questions and more can be found in our

Parent Resource Room

- Open by appointment only Monday-Wednesday-Friday
- Leveled library books
- Task timers
- Math and Reading activities
- Literature for parents: online learning, test taking tips, & more
- Student supplies

Make your appointment now before supplies become limited.
