

How Students Can Become Part of the Avonworth Global Scholars Program:

1. Students will contact co-sponsors to apply to be a part of the Avonworth Global Scholars Program.
2. Students attend the global scholars program monthly meetings.
3. During the school year, students will complete approximately one fourth of the requirements and submit documentation to the co-sponsors.
4. In March of the senior year, students will verify with the co-sponsors that all of the requirements have been met and apply for the Global Scholars certificate, seal, and/or graduation cord.
