Seniors

****Mapleton High School Seniors****

Even though the recent focus has been on COVID-19, Mapleton has not forgotten about you! Rescheduling your Senior Prom is in the works! As of now, Graduation is still planned for May 31st. Even if the date is changed, you WILL graduate! The administrators and staff at Mapleton High School are doing everything they can to ensure that our Seniors can still create the memories every senior deserves, no matter what our circumstances entail. Updates will be sent as more information becomes available. Class of 2020...stay positive, stay safe, and keep completing your assignments! #mapletonclassof2020 #mapletonproud #inthisogether #growingtogether #bettertogether
