

WEEKEND SNACKS

Students with a need for additional snacks throughout the weekend are eligible to participate in the Blessings in a Backpack program. This program is made possible by volunteers from local churches. Each week volunteers deliver Blessing Bags of non-perishable food to be distributed to students enrolled in the program. Once enrolled, students will receive their bag every Friday. Bags are given out in a discreet manner in the Guidance Department. The program continues throughout the year.

If your student has a need for weekend snacks, **please complete the following and return to the Guidance Department.** If you have any questions, please call Mrs. Allen at 279-6213
