**NORTHERN
PENNSYLVANIA
REGIONAL COLLEGE**

AFFORDABLE. ACCESSIBLE. AND DEFINITELY ACHIEVABLE.

The Workforce Development Division of the Northern Pennsylvania Regional College provides non-credit training for businesses and residents of our nine-county service area. Our programs are geared toward high-demand occupations and other identified industry needs. Training opportunities feature a variety of courses and programs in technical education, professional training, and customized training. Some programs award nationally recognized certificates. Enrollment into the various programs is generally open. However, some accredited programs (e.g. commercial driver's license, emergency medical services, and nurse aide) have specific enrollment requirements.

Courses are provided through the college's live interactive, instructional television at locations across our nine-county service area. We are also capable of providing on-site training at a single site or multiple sites.
