

Voicemail Directions for Internet and Device Availability Survey

1. Call 814 580 9216
2. Listen to the directions, Welcome to the Union City Area School District Survey Line. We only need one survey completed per family. Please clearly state the first and last name and the grade of all students living in your home. Do you have internet service at your home? Do you have a working internet capable device in your home? If so, please specify what type of device would be used by the students? Thank you for your time and assistance in completing the survey.
3. When you hear the beep, answer the following questions:
 - a. State the names (First and Last) and grade(s) of all students in the household attending UCASD schools.
 - b. Does your family have internet access? Yes, No, Hotspot
 - c. Does our family have access to an internet-capable device that works?
For example: Laptop, iPad, Android Device, Chromebook, Desktop PC,
Other
4. Only one survey needs to be completed per family.

Thank you!
