

Looking for a new challenge?

Looking for a Training Program that can turn into a **LIFELONG CAREER?**

Slagle-Kiser Dental Ceramics may be what you're looking for. Slagle-Kiser is a premier dental laboratory looking for candidates for its' Dental Laboratory Technician Training Program. We are looking for students with a 2.8 GPA or higher, who have good attendance. If you are mechanically inclined, have artistic ability or like to work with your hands, we can teach you the art of dental laboratory. Students interested in painting and digital/graphic design are perfect candidates for this career opportunity!

This PAID training opportunity is Monday through Friday, 6:00 a.m. to 3:00 p.m.

Interested candidates should contact Slagle-Kiser Dental Ceramics at lwallake@slaglekiser.com. Emails should include your name, address, phone number, GPA and a list of your hobbies.

We look forward to hearing from you!
